A11

Much Faster, More Reliable, More Compatible

The A11 is the latest addition to Posbank's POS printer family. Designed with fast printing speed, advanced reliability and compatibility in mind for today's store environments, the Posbank A11 is the best choice you can make among the POS printers in its class. Its printing speed of 250mm/s makes it deal for crowded checkout areas and advanced reliability for large volume printing in retail and hospitality segments. For enhanced customer experiences, the A11 is compatible with leading mobile operating systems including Android and iOS. The industry-leading three-year limited warranty ensures lower total cost of ownership.

Industry : Retail, Hospitality
Application : Receipt, Kitchen, Ticket, Barcode,
　　　　　　　Coupon, Kiosk, Queue Management

- 2" or 3" direct thermal POS printer
- Fast printing speed of 250mm/s
